

## Venues for 2010.

Weldon Oval, the Manly Bombers' Home Ground, will be resurfaced over Winter 2010 and the Club has arranged for teams to play and train at the following venues for the 2010 season:

Team	Training Venue	Match Day Venue
Under 16	North Narrabeen Reserve	North Narrabeen Reserve, North Narrabeen
Under 14	Reub Hudson Oval	Frank Gray Reserve, Freshwater
Auskick - Under 13	Old Reub Hudson Oval and Reub Hudson Oval, North Curl Curl	Frank Gray Reserve, Freshwater

Old Reub Hudson and Reub Hudson Ovals are the rugby and baseball fields directly across the creek from Weldon Oval. In fact, there is a footbridge which takes you from the western goals of Weldon directly to Old Reub Hudson Oval. The map below shows the location of these grounds.

Most of our junior teams trained on these same fields in season 2009. In 2010, our main training night will be Friday for our Auskick to Under 14 teams on Reub Hudson and Old Reub Hudson Ovals. The Under 16s will both train and play at North Narrabeen Reserve (also known as the home ground for the Pittwater Tigers).
